Success! The properties you have selected at left have now been submitted to the Council. To undo any, just hit the remove button.

Note: Should you refuse an offer of a property in which you have expressed an interest, you will not be entitled to make further expressions of interest on further Choice Based Letting properties for a period of one year.

Thus, one's choices appear in a box below the list of premises marked 'My choice(s) from the above list'. You may then :

- Add another property to your list
- Remove a property from your list
- or **do no more.**

Once a premises appears in 'My choice(s) from the above list' you have notified the Council of your interest. That interest is deleted on pressing the remove button.

**Applicants attention is brought to the fact that if you refuse an offer of a house that you have expressed an interest in, then you will be prohibited from making further expressions of interest on a CBL property for a period of one year.**

You may log in to the system anytime from 9 a.m. Friday mornings to 12 p.m. Thursday evenings and change what you have selected.

The system is available online from Friday 9am to Thursday 12pm . A new list will appear the following Friday and if there are no properties available, the website will state this.
