

OSCAILT OIFIGIÚIL RIAN GLAS NA NDÉISE

Expressions of Interest being sought from Community and Voluntary Groups regarding involvement in events to celebrate the official opening of Waterford Greenway in late March 2017

Waterford City and County Council has been developing the Waterford Greenway along a 46km section of the old disused railway line from Waterford City to Dungarvan over the past number of years. This development phase is now nearing completion and the official opening is scheduled take place in late March 2017 at a number of key locations adjacent to the Greenway itself.

It is envisaged that the development and completion of the Greenway will have a hugely significant cultural, social and economic impact on the lives of the people of Waterford in the years to come. In order to celebrate this momentous occasion in Waterford's social history, Waterford City and County Council is now seeking expressions of interest from Community and Voluntary groups, schools, clubs and organisations who may be interested in organising or assisting in organising an event to coincide with the official opening celebrations. Examples of events may include but are not limited to:
