

# Have you found a stranded Whale, Dolphin or Porpoise?

Please report any animals (alive or dead) to the Irish Whale and Dolphin Group's stranding scheme to [strandings@iwdg.ie](mailto:strandings@iwdg.ie) or [www.iwdg.ie](http://www.iwdg.ie). Photographs welcomed.

Contributions will directly add to our growing knowledge of these dynamic marine mammals in Irish waters.
